Dear Lawrence:

Enclosed is a letter from one of my constituents who has a concern over the administration's policy on discovering the fate of Raoul Wallenberg. I respectfully ask you to review the administration's policy on this issue and send me a clarification so that I might be able to respond to my constituent's questions. It would be helpful if you could mark your correspondence with my office to the attention of Kory May.

Thank you in advance for your assistance on this matter.

Sincerely,

*Tom*
